**Nash 19 Awarded 'Just Ask'  
Restaurant of the Month for  
December**

Nash 19, located on Prices Street in Cork City, has been named as the recipient of the December 'Just Ask Restaurant of the Month' award in association with Bord Bia and the Georgina Campbell Ireland Guide. 'Just Ask' is a Bord Bia campaign which aims to encourage consumers to look for information on where their food is coming from when eating out, and encourages chefs to provide this information on their menus.

The Just Ask campaign has been established to support both large and small artisan suppliers, encouraging both Irish diners and visitors from abroad to support restaurants that are in turn supporting local suppliers. To enter the Just Ask Restaurant of the Month competition, chefs are asked to submit their menus to Georgina Campbell which are then judged on the information provided about the sourcing of their ingredients.
